### HOME COURT ADVANTAGE

The Horejsi Family Athletics Center (pronounced HOR-ish) has served as the home of Kansas volleyball since its opening on Sept. 1, 1999. The \$3.8 million project, which was funded by Stewart Horejsi and his family, was completed shortly after the conclusion of the 1998 volleyball season.

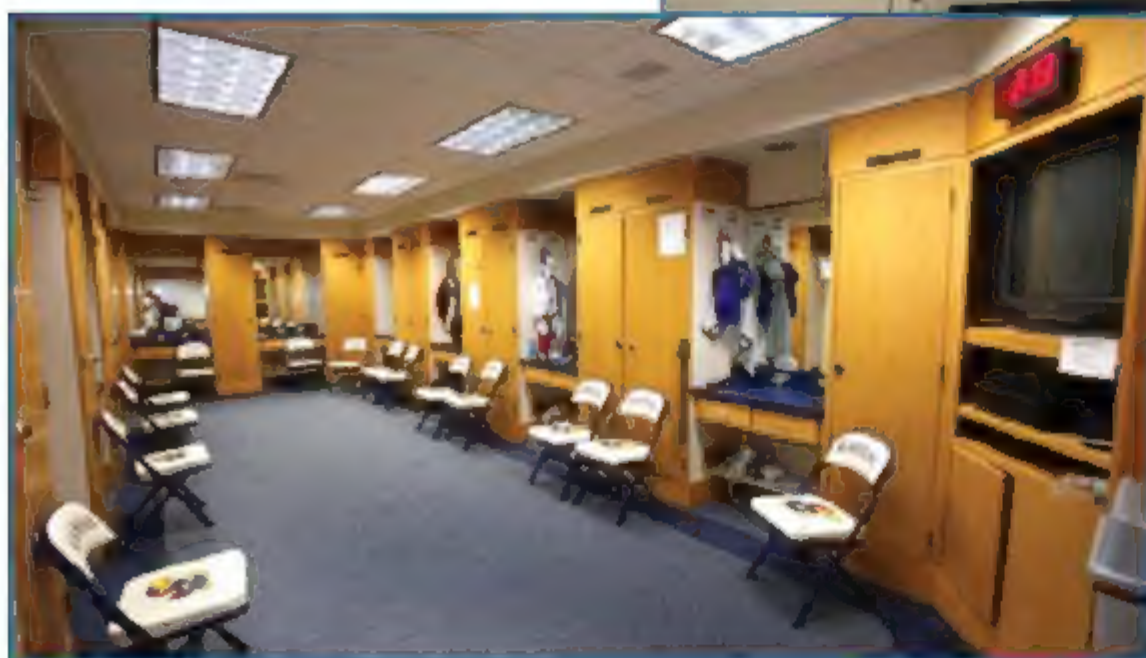

Located on the University of Kansas campus between the Wagnon Student-Athlete Center and Hoglund Ballpark just west of historic Allen Fieldhouse, the 16,500 square-foot facility seats 1,300 fans for Kansas volleyball matches.

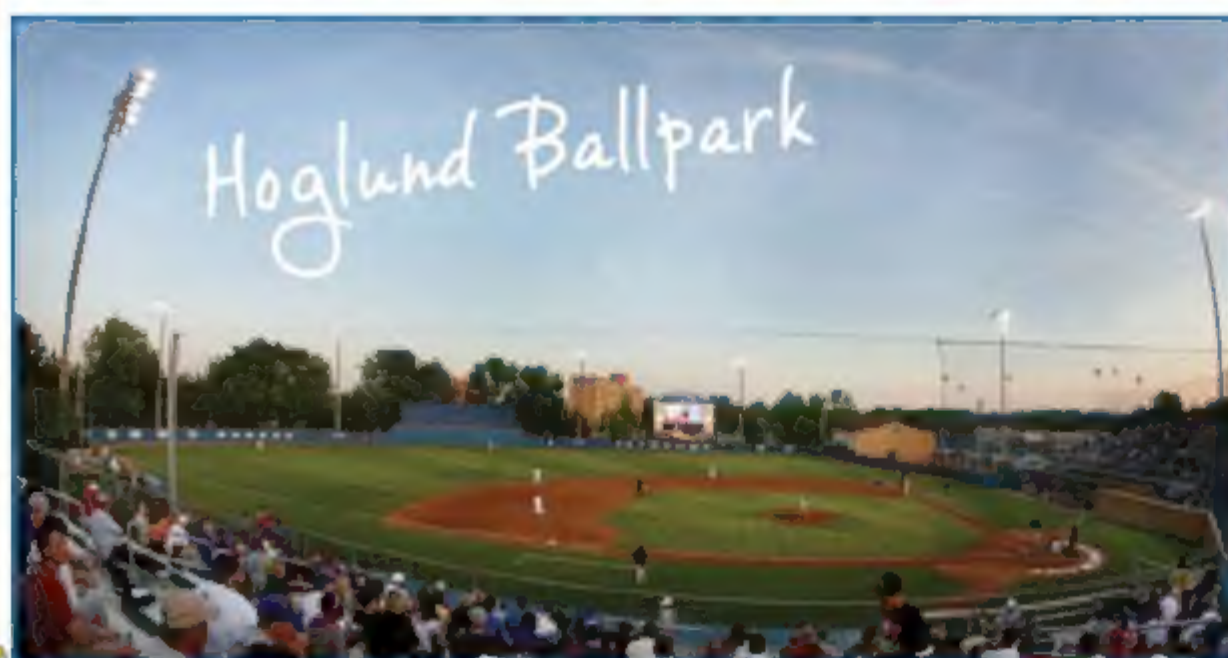

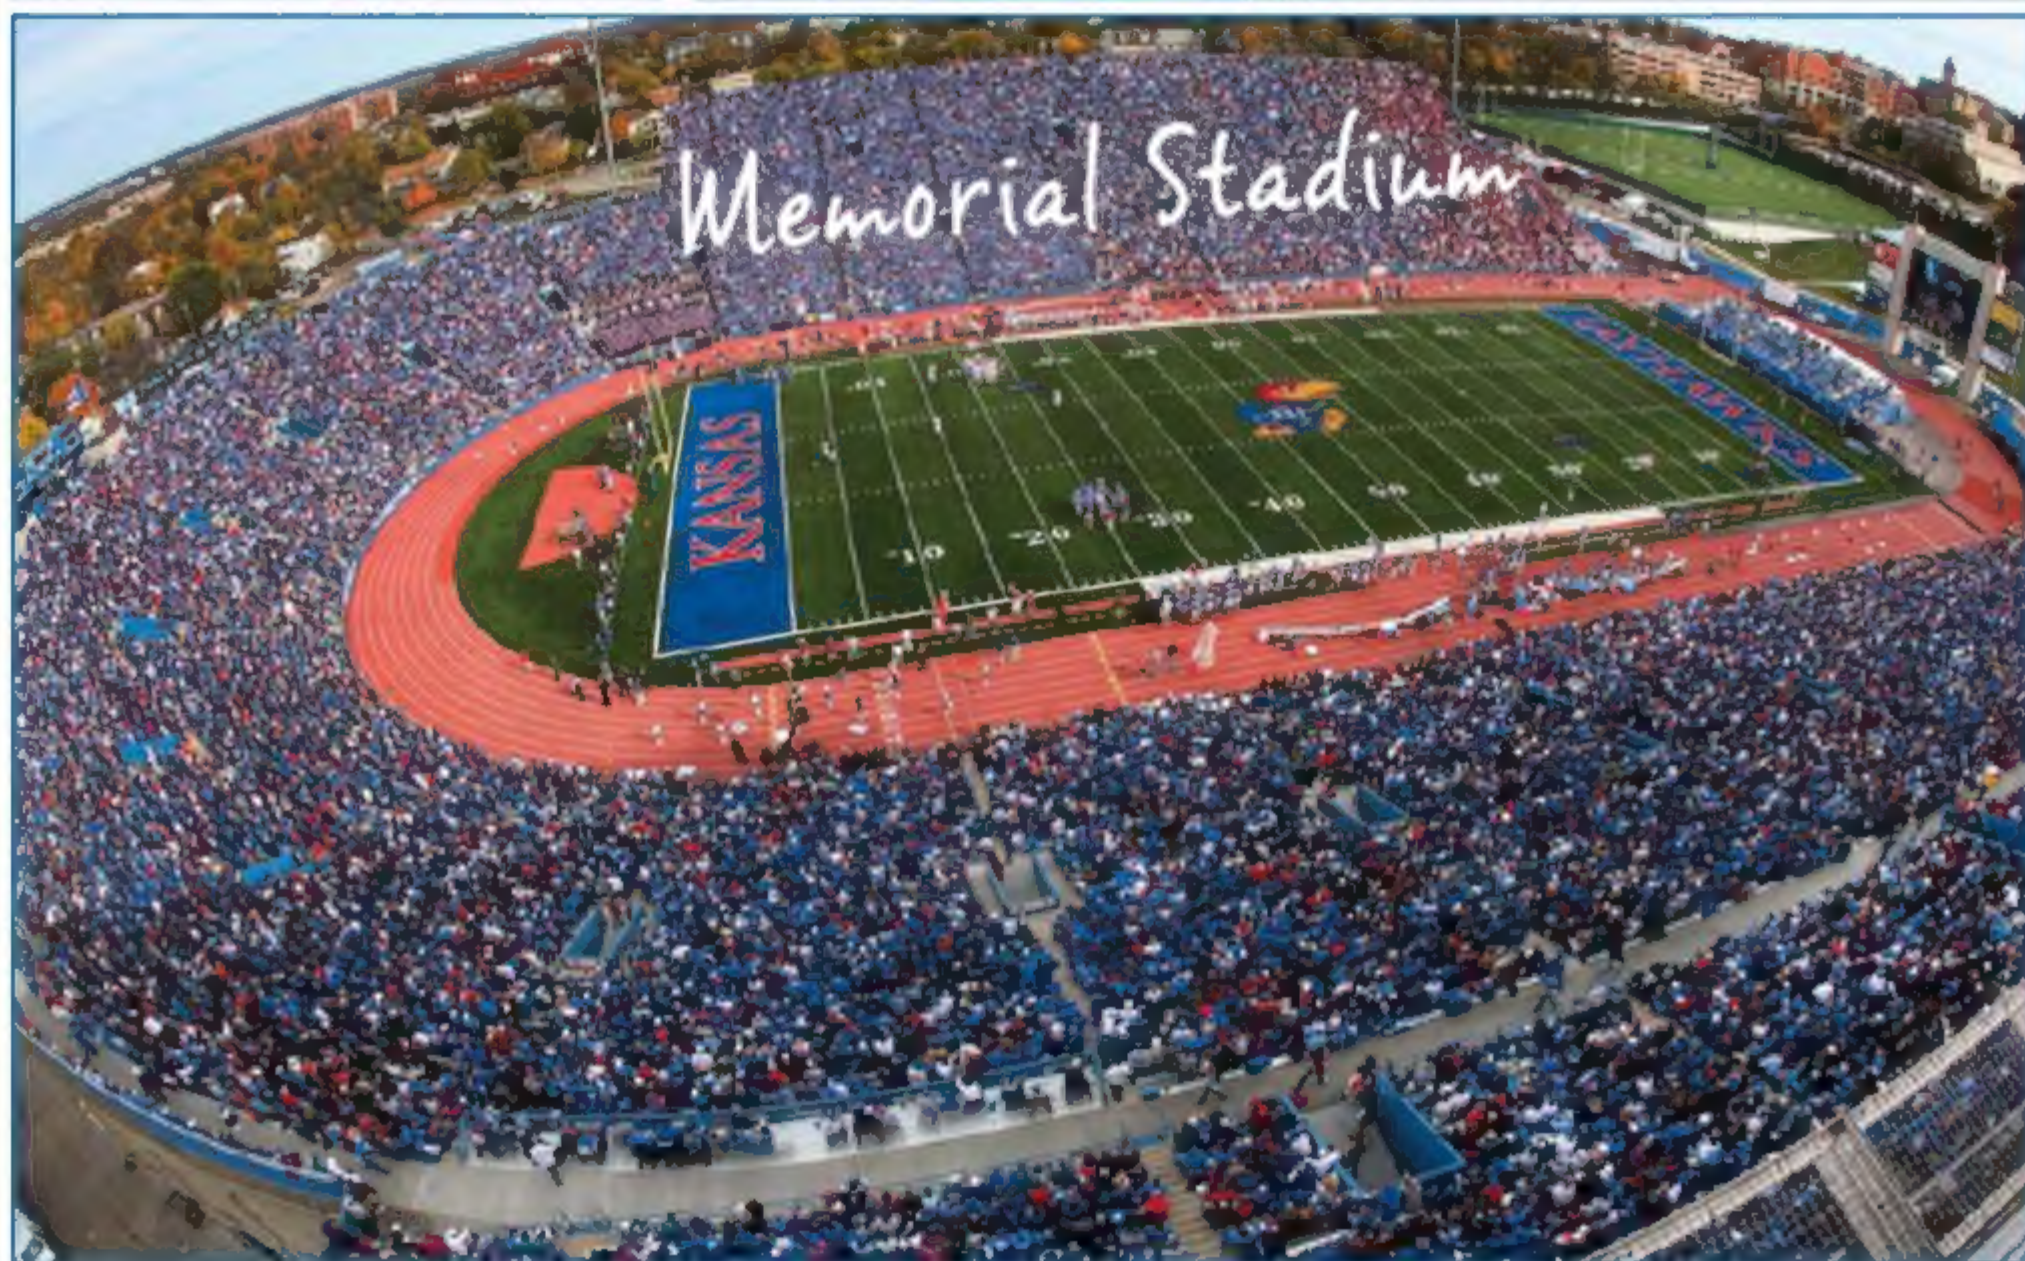

Besides housing practice and competition courts for the Kansas volleyball team, the Horejsi Center boasts the KU volleyball locker room and team room.

The Jayhawks defeated Santa Clara in the opening match of the 2004 NCAA Tournament. KU was eventually defeated by No. 7 Washington, which advanced all the way to the semifinals, despite battling back from a 0-2 deficit.

In KU's third-straight NCAA Tournament appearance in 2005, the Jayhawks made a valiant effort despite its short-handed roster due to injuries. Kansas fell to No. 12 UCLA, 3-1, in the opening round.

## TRADITIONS

### The Rock Chalk Chant

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E H S Bailey, a professor of chemistry. Bailey wanted a cheer for his Science Club. Returning from a convention in Wichita, Bailey and some associates patterned a yell after the rhythmic cadence of their train rolling along the tracks. On May 21, 1886, Bailey submitted the cheer to his club.

Before the University adopted the cheer in 1897, it consisted of "Rah, Rah, Jayhawk, KU" being repeated three times. An English professor soon suggested that "Rock Chalk" be substituted for "Rah, Rah" because it rhymed with Jayhawk. "Rock Chalk" was also symbolic of the chalky limestone formations found on Mount Oread. Teddy Roosevelt once said the Rock Chalk chant was the best he had ever heard.

### Campanile Hill

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southeast of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

### Waving The Wheat

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

### The Nickname

During the Civil War a regiment raised by Kansas Governor Charles Robinson called itself the "Independent Mounted Jayhawks" (later officially the First Kansas Cavalry and then the Seventh Kansas Regiment). By the end of the Civil War the word Jayhawk was associated with the spirit of camaraderie and the courageous fighting qualities that characterized efforts to keep Kansas a free state.

By 1886, the University of Kansas had adopted the mythical bird as part of the KU yell. When the university's football team first took the field in 1890, it

seemed only natural that they should be called Jayhawkers. Few colleges and universities have such a meaningful symbol, one so deeply associated with the struggles of the people who founded them.

### The Fight Song

George "Dumpy" Bowles, a student with the class of 1912, longed to make a great contribution to the KU spirit, but wasn't athletic enough to do historic deeds on the athletic field. He turned to music and produced some outstanding student musical shows.

A song in one of these shows was "I'm a Jayhawk." Written in 1912, it was dormant until 1920 when a growth in school spirit brought out "I'm a Jayhawk" once more. The song contributed to the raising of funds to build both the KU football stadium and student union as World War I memorials. The 1926 glee club made it known nationally.

### What's a Jayhawk?

The University of Kansas is home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas.

The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter. The message here: Don't turn your back on this bird.

### The Alma Mater

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

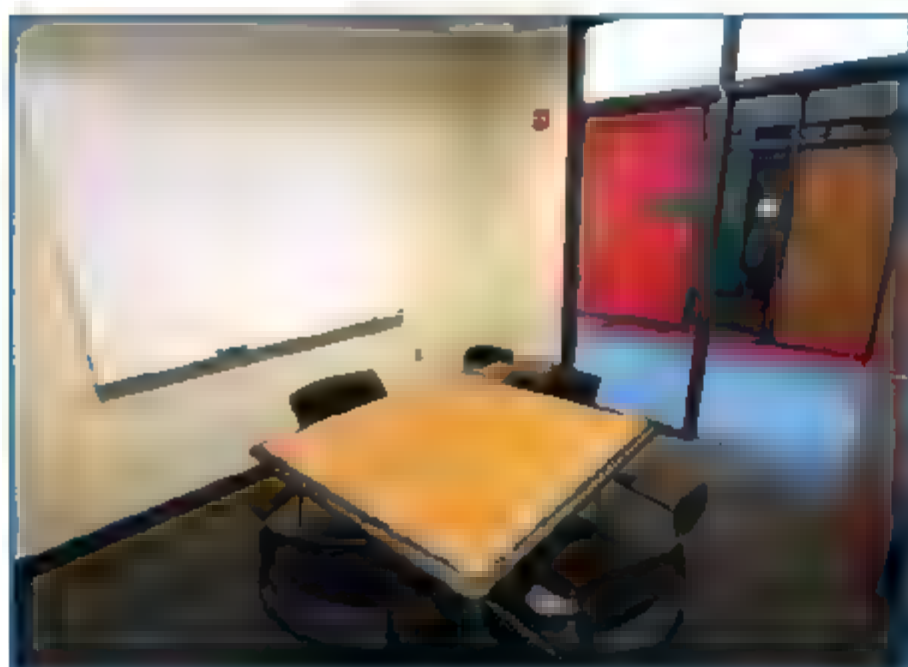

## ACADEMIC SUPPORT

### STUDENT-ATHLETE SUPPORT SERVICES

The Student-Athlete Support Services staff focuses all collective resources in support of the academic, personal and interpersonal development of each individual it serves. As part of its commitment to the academic success of its athletes, Kansas Athletics recently completed a new academic complex in the summer of 2009. The facility features individual study rooms and a computer lab.

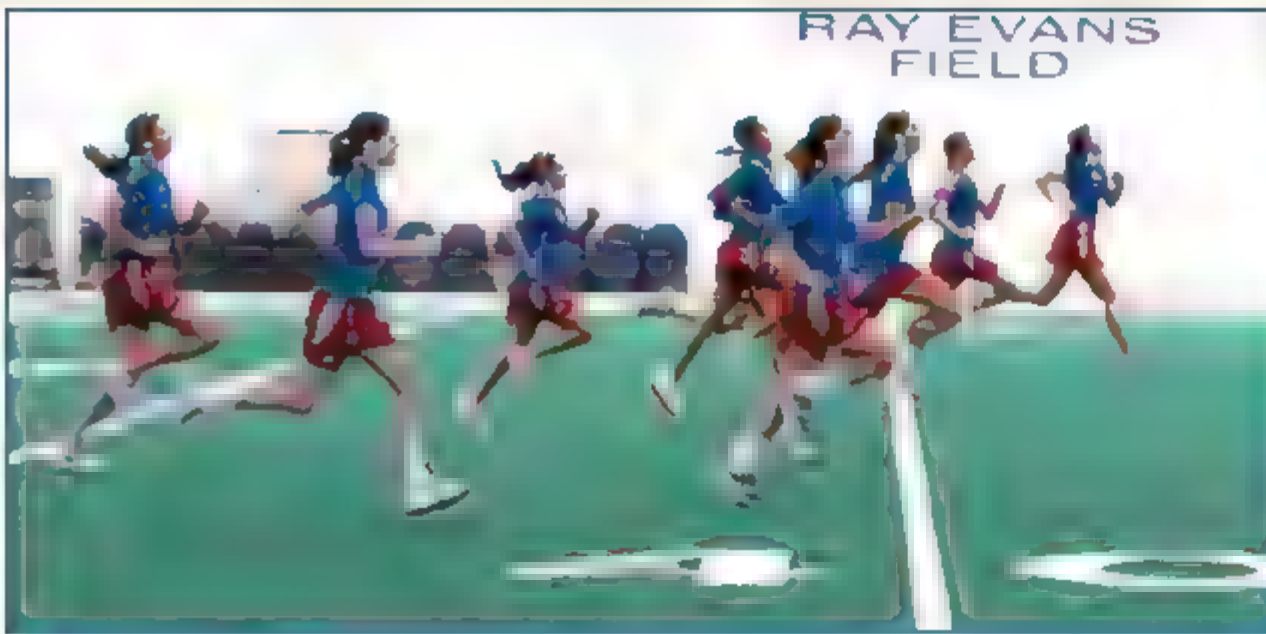

### Strategic and Instructional Tutoring Programs

- The strategic and instructional tutoring program (STP) schedules more than 900 hours of tutoring each week for more than 250 student athletes.
- Tutoring is available to any student-athlete, regardless of scholarship status or sport.
- Many of the tutors working within STP are instructors or teaching assistants at KU. Some are undergraduate students who have excelled in their respective subject areas.
- STP offers individualized tutoring as well as small study groups.

*Each spring Kansas Athletics holds a student athlete recognition banquet where it honors its senior athletes. Last year, KU volleyball seniors Melissa Grieb, Katie Martincich, Paige Mazour and Brittany Williams were honored.*

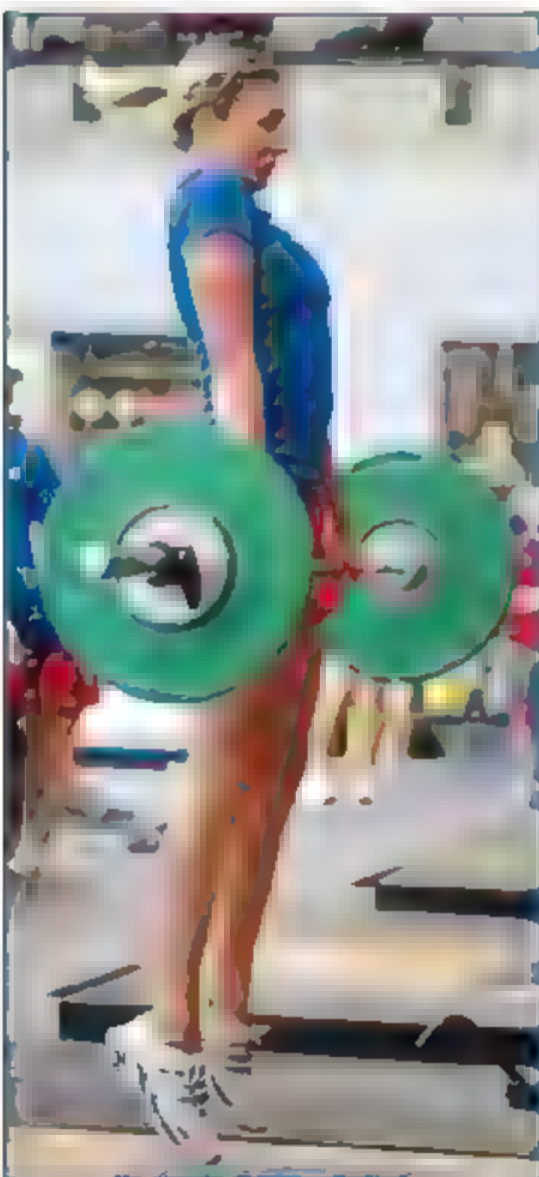

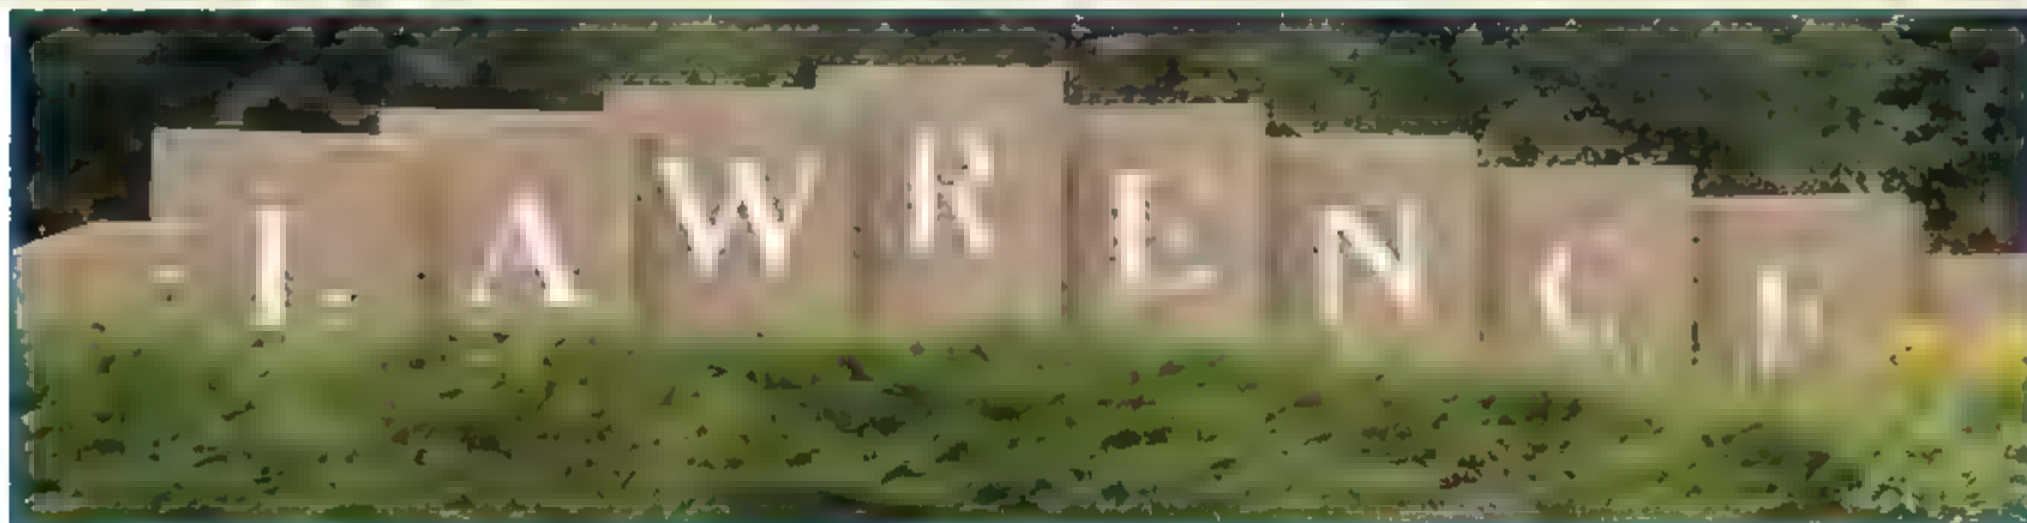

The Strength and Conditioning staff at the University of Kansas believes in the pursuit of excellence in its student-athletes as well as itself. It is their goal to provide each student-athlete with personalized instruction and a program tailored to meet the demands of each sport and position in KU's state-of-the-art training facility. Every student-athlete will be provided with the opportunity to enhance their sport performance through proper strength training and conditioning until they have fulfilled, if not exceeded, their athletic potential.

*The \$8 million, 42,000-square-foot Anderson Family Strength and Conditioning Center, which features state-of-the-art weight training equipment, a cardiovascular workout area, meeting rooms and lockers, opened for KU student-athletes in 2003.*

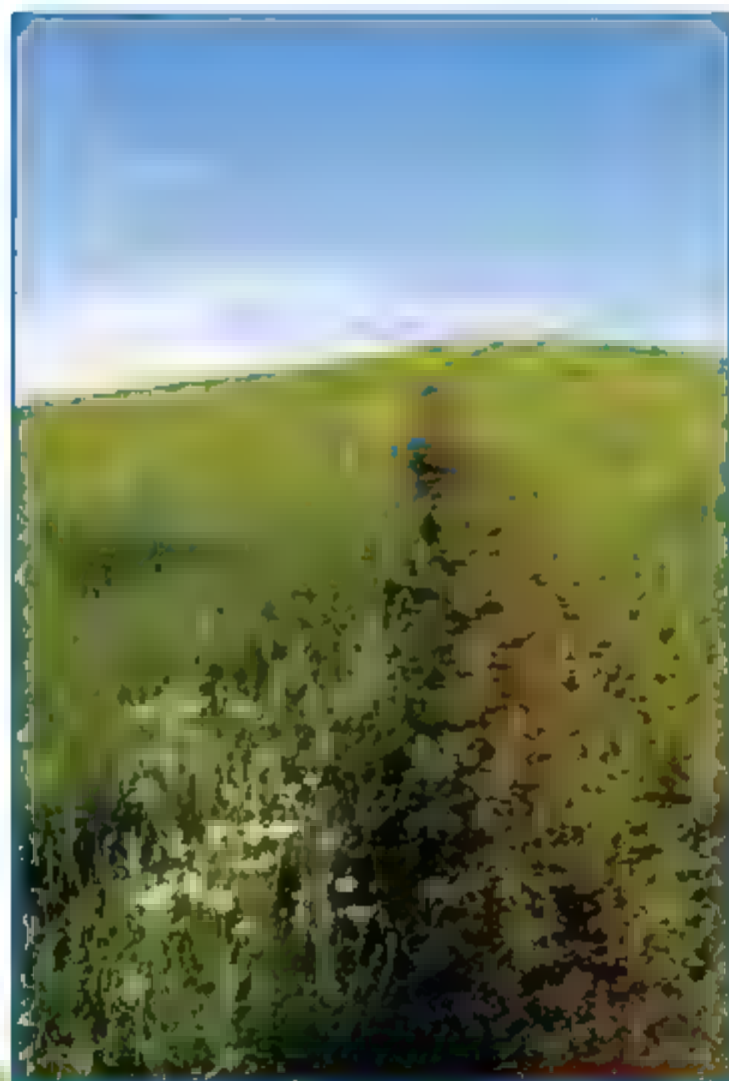

## CITY OF LAWRENCE

- Population 81,604
- Conveniently located on I 70 between Kansas City and Topeka (state capital), Kansas Highway 10 connects Lawrence to the south Kansas City metroplex. Highway 59 serves as the city's north and south access, and Highway 40 runs parallel to Interstate 70 east and west.
- Lawrence was founded in 1854 by the New England Emigrant Aid Society in an effort to keep the territory free from slavery. It is said that it is one of the few cities in the United States founded strictly for political reasons.
- Boasts the most vibrant downtown shopping district in Kansas. Many have called Massachusetts Street one of the most beautiful main streets in America.
- Lawrence is a city literally bustling with activity. You'll find a wide array of exciting cultural, educational and entertainment opportunities everywhere you look.
- Downtown Lawrence radiates with a cool mix of shopping, nightlife and history.
- Lawrence festivals provide a wealth of musical offerings. Music is a staple in the Lawrence community. The sounds of local talent can be heard echoing through the city's streets both day and night.

- The Lied Center of Kansas, the University of Kansas' multimillion-dollar performing arts center, was ranked by International Arts Manager magazine as one of the "Top US University Presenters."

Since it began play in 1996-97, the Conference can boast of 38 team crowns and over 459 individual NCAA Championships.

Big 12 squads continued to lead the nation in their respective sports last season as every single sport the Conference sponsors had at least one school ranked in the top six of the national rankings during the past campaign. In addition, nine different sports had the No. 1 team in the nation at some point during the 2009-10 season.

Five Big 12 volleyball teams competed in the regional semifinals of the NCAA Championship in 2010, the first time that has happened in conference history. During the past six seasons a total of 16 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including each of the past 13 seasons.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

## SEASON OUTLOOK

### OUTSIDE HITTERS

**Returning:** Seniors Karina Garlington and Jenna Kaiser and juniors Allison Mayfield and Lauren Hagan

**Lost:** None

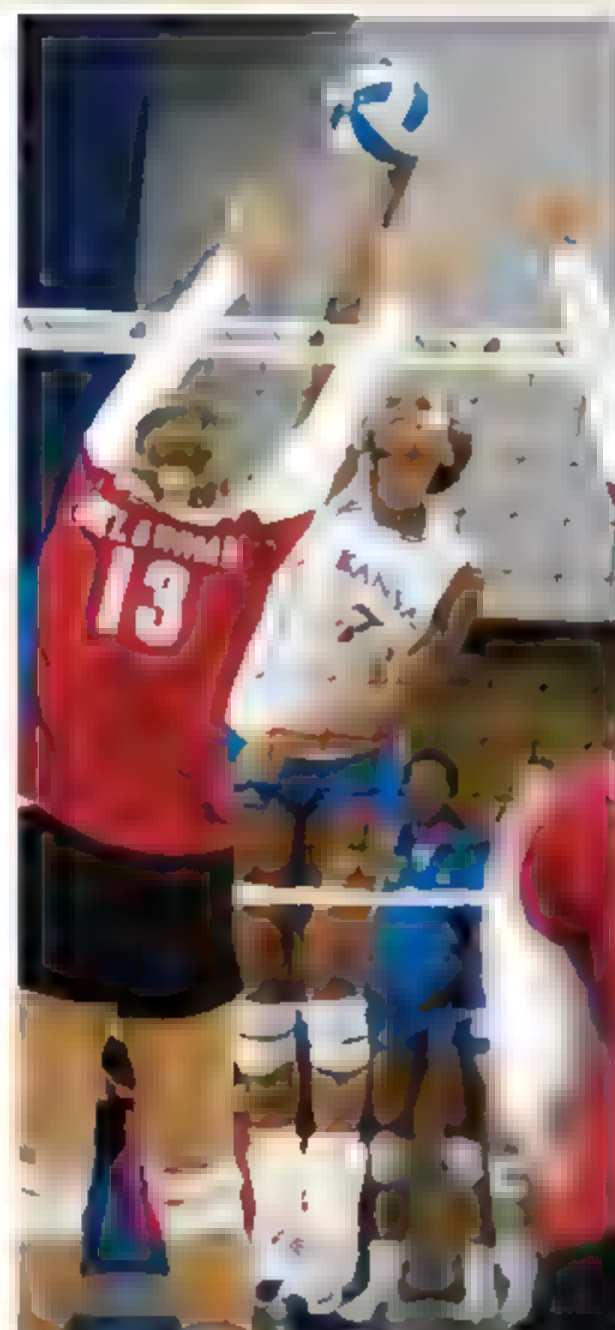

**Newcomers:** Redshirt freshman Catherine Carmichael and true freshmen Marianne Beal and Amy Wehrs

#### Notes

- Kansas returns its top two offensive threats from last season in senior Karina Garlington and junior Allison Mayfield. The duo ranked eighth and fifth, respectively, in the Big 12 Conference in 2009 in kills per set.
- Senior Jenna Kaiser will look to end her career on a high note after being hampered with injuries the last two seasons. She led the Jayhawks with 3.04 kps during league matches as a freshman in 2007.
- Junior Lauren Hagan enjoyed a breakout year of sorts in 2009, earning a spot in the starting rotation midway through the season. She will be looked upon again to provide depth at the outside hitter position.
- Freshman Marianne Beal is the Evelyn Gates award winner from 2009-10. It honors the top female volleyball player in the Kansas City area.

#### What coach Bechard says:

"We bring back experience and a core group on the outside in Garlington and Mayfield. Kaiser has overcome some injuries last couple of seasons, but we hope her senior season can be what we think it can be. We've added Wehrs and versatile player in Beal, who can play a couple different positions."

*Senior outside hitter Karina*

### MIDDIE BLOCKERS

**Returning:** Sophomore Tayler Toletree

**Lost:** Paige Mazoui and Brittany Williams

**Newcomers:** Sophomore transfer Taylor Manning, redshirt freshman Caroline Jarmoc and true freshman Jessie Allen

#### Notes

- The middle blocker position is KU's youngest position on the court as it returns just one player with floor time from last season.
- Toletree made 12 starts in 2009 and proved to be a talented blocker along the front line, averaging just under a block per set in her limited playing time.
- Sophomore transfer Taylor Manning comes to KU with a year of college experience already under her belt, having played for CII Eckerd College last season.
- Freshman Jessie Allen was honored by *Volleyball Magazine* as a Sports Imports Fab 50 selection.

#### What coach Bechard says:

"Toletree is the only player back with experience in the middle, so we have some holes to fill in at that position. Allen has been impressive during preseason practices. She is very quick laterally. Manning has one year of college under her belt already, which will prove helpful. She has a tremendous work ethic and attitude."

*Freshman middle blocker Tayler Toletree*

Junior setter Nicole Tate

## SETTERS

**Returning:** Junior Nicole Tate

**Lost:** Katie Martincich

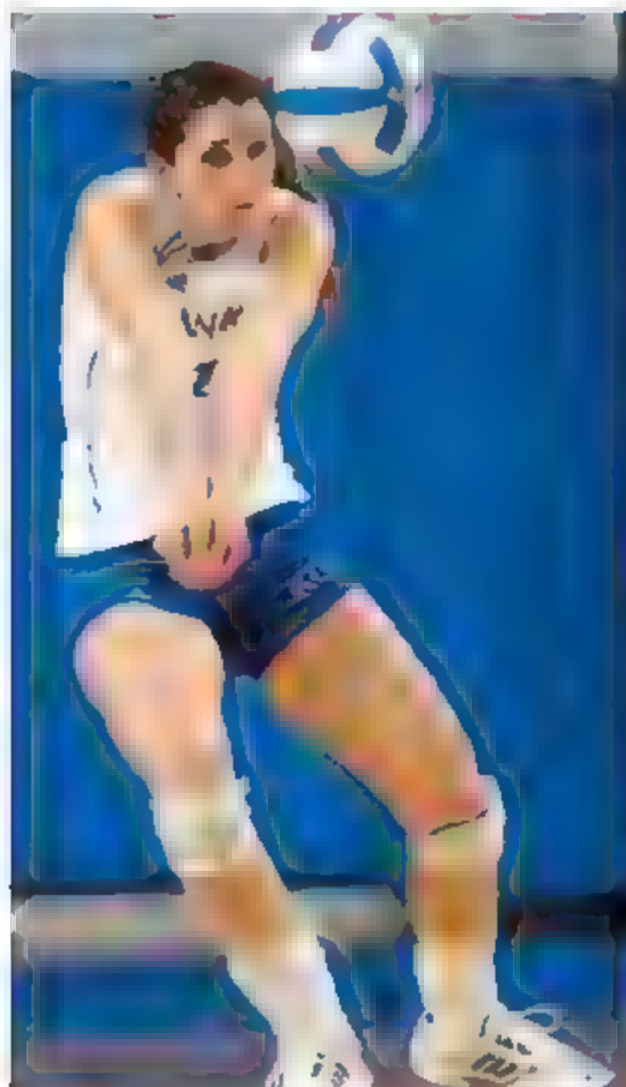

**Newcomers:** Freshmen Erin McNorton and Kara Wehrs

### Notes

- Two year starter Nicole Tate returns at the setting position after posting the nation's 39th best assist average with 17.90 aps
- Tate owns the second best career assists average at Kansas with 10.43 aps
- Freshman Kara Wehrs is ranked No. 44 in the 2010 recruiting class

### What coach Bechard says:

"This year we have three really quality players. We are thrilled with what we have seen from Wehrs. She brings a physicality and quickness, which is rare in a setter. McNorton has a really good feel about what each hitter needs. Our numbers give us the opportunity to get in and out of a one and two-setter system, which is a good option to have."

Senior defensive specialist Melissa Manda

## DEFENSIVE SPECIALISTS

**Returning:** Seniors Melissa Manda and Mel Townsend and sophomore Morgan Boub

**Lost:** Melissa Grieb and Katie Martincich

**Newcomers:** Freshmen Jaime Mathieu and Brienne Riley

### Notes

- Senior Melissa Manda has been the team's libero for each of the past three seasons and is fourth all-time at KU with 1,165 career digs
- Senior Mel Townsend and sophomore Morgan Boub saw limited action last season but will see more floor time in 2010

### What coach Bechard says:

"We've got the largest contingent of defensive specialists that we have had since I've been here. We felt that was a position that we wanted to make extremely competitive and I think we have done that. We play with a little bit more urgency simply because we've created that culture in practice because of the numbers we have."

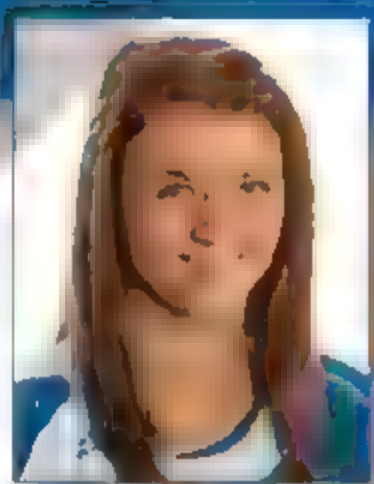

"The seniors have really set the standard in that position. We are thrilled to welcome Riley and Mathieu who have both created a really positive, competitive culture in our gym. We feel like we are very talented and very deep in this position."

Last season head coach Ray Bechard recorded his 900th career victory, the latest achievement on his long list of coaching accomplishments. Entering his 13th season with the Jayhawks, Bechard has coached 6 / Academic All-Big 12 selections, 10 All-Big 12 honorees and, most notably, he is the only coach in program history with an NCAA Tournament appearance on his resume, a feat which he accomplished for three-straight seasons from 2003-05.

The Sunflower State native has established himself as the KU volleyball program's winningest and longest serving coach. He has compiled a remarkable all-time coaching record of 96-234-765 winning percentage) since arriving on the coaching scene 25 years ago as the head coach at Barton Community College in Great Bend, Kan.

In 12 seasons at Kansas, Bechard has led the Jayhawks to a 190-174 mark and eight seasons at 50% or better. Additionally, Bechard has brought renewed interest in Kansas volleyball as the Jayhawks have consistently finished among the nation's top 50 attendance leaders the last several years.

The 2009 season proved that Bechard and the Jayhawks are on track to return to the NCAA Tournament. Last fall, the team enjoyed its most victorious season in five years, an upset versus No. 21 Baylor and a tournament crown at the Arkansas Invitational. All of this came on the heels of a successful 2008 season, when Bechard's team finished with its most home court victories (six) and most Big 12 wins (seven) since 2005.

His team also enjoyed national recognition in 2008 when Kauna Garlington was named the school's second AVCA National Player of the Week on Nov. 10. Garlington was selected to the *ESPN The Magazine* Academic All-District Third Team, the sixth

academic all district honoree during Bechard's tenure, while Nicole Tate earned Big 12 All-Freshman team honors.

During the 2007 season, Bechard and his team put together a 3-2 upset over No. 18 Oklahoma, the sixth-straight season KU upset a ranked team, and a four-game victory against tournament-bound Missouri State, which made Bechard the winningest coach in KU volleyball history. The Jayhawks also picked up a win at Missouri, marking their first road win in Columbia since 2001.

The 2007 season saw the graduation of senior standout Emily Brown. Brown left her name littered all over the KU record books as she became the first Jayhawk to reach the 1,000 milestone in kills, digs and assists, while also landing on five top 10 career lists.

In 2006, KU picked up a Preseason Big 12 Newcomer of the Year selection in Natalie Uhart. Uhart later suffered a season-ending injury prior to the team's first contest and that seemed to set the tone for the year as the Jayhawks were hampered with injuries over the course of the season.

However, the team still collected several accomplishments during the 2006 season including a tournament title at Temple to start off the year. In addition, the team dug up 15.81 balls per game, its highest dig average since the 2001 season and third-highest average in Bechard's 12 year stint.

Just one year earlier in 2005, Bechard led the Jayhawks to a 15-15 overall record and their third-straight postseason appearance. Despite a depleted roster due to injuries, KU battled No. 16 UCLA to four games in Los Angeles in the NCAA Tournament First Round.

The 2005 season also saw the careers of three talented seniors, Josi Lima, Paula Caten and Andi Rozum, come to a close. Caten became KU's first Academic All-American in volleyball, while Lima, KU's only four-time All-Big 12 First Team selection, finished her career as the Jayhawks' all-time kills leader and one of the most prolific volleyball players in

school history. Rozum's name still sits at the top of the career assists list.

In addition to his team's achievements and the individual successes of his seniors, Bechard reached a significant milestone on Sept. 10, 2005, when he coached his 1,000th career match. The Jayhawks commemorated the milestone by defeating visiting Michigan State, 3-

In 2004, KU returned to the NCAA Tournament for the second-straight season and fell just short of a Sweet 16 appearance. The Jayhawks defeated Santa Clara, 3-1, before falling to host Washington, 3-2, in second-round action. KU came back from a two-game deficit to battle the Huskies, who advanced to the Final Four, and then won the National Championship in 2005.

In addition to the Jayhawks' return to the postseason, KU enjoyed its first national ranking on Sept. 13 when Kansas

came in at No. 24 in the *USA Today*/ESTV Top 25 Coaches Poll. A week later, Kansas reached its highest national ranking sitting at No. 21 in the poll.

The 2003 season became another celebrated year as KU achieved the most victories since 1991 (22) and the fourth most in program history, the most conference wins in school history (13) and the highest finish in the conference race (tied for third) since joining the Big 12 in 1996.

The greatest highlight of the 2003 season came when Bechard and the Jayhawks were invited to participate in the NCAA Tournament for the first time in program history. KU shocked powerhouse Long Beach State by sweeping the

49ers 3-0 in first-round action before falling to host No. 4 Pepperdine 3-1 in the NCAA Second Round in Malibu, Calif.

Bechard also reached two significant coaching milestones in 2003 as he recorded his 800th career victory and 100th win at Kansas.

Since his arrival at KU over a decade ago, Bechard's teams have been making their mark in the KU record books, sitting atop numerous career lists. Bechard has helped develop the play of several standout players, including Lima, who took home All-Big 12 First Team honors all four years, as well as the 2002 Big 12 Newcomer of the Year award as a freshman. Lima, KU's all-time kills leader (1,483), joined middle blocker Amanda Reves (1996-99) as the two players to earn first-team league honors under Bechard. Lima also became the first player in KU history to be named to the American Volleyball Coaches Association All-Region Team in 2003.

Katie Martinich was named the Big 12 Sportsman of the Year for the 2007-08 academic year and Jennifer Kraft (1999-2002) earned the Big 12 Defensive Specialist award in 2002, while Ashley Michaels (2001-04) was an All-Big 12 Honorable Mention selection for two-straight years.

Jill Dorsey, a 2004 graduate, led the Big 12 in her senior season with a scorching 4.64 digs per game and left KU as the all-time career digs leader (1,338). Michaels concluded her KU career as the program's leader in attack percentage (.317) and finished second behind Reves in block assists (324) and blocks per game (1.03).

Christi Posey enters her 11th season as the Jayhawks assistant coach. A native of Wichita, Kan., and a KU alum, Posey serves in a variety of roles at Kansas, including the team's recruiting coordinator, overseeing the team's managers, team room and camp administration, and acting as a liaison between the team and its sports psychologist, promotions department and the weight room. On the court, she works with the team's setters and defensive specialists.

Posey holds an impressive resume that features some of the most prolific volleyball players to ever go through the Jayhawks program. Most recently, Posey has been instrumental in developing the play of current standouts Nicole Tate and Melissa Manda. Tate, the team's setter, ranked 39th in the nation last year in assists per set and was named to the All-Big 12 Freshman Team in 2008. Manda, a defensive specialist, owns two top 10 digs per set marks and is currently KU's fourth all-time digs leader, although she is on pace to shatter the school record this season.

Posey also worked with And. Rozum from 2002-05 as Rozum became Kansas' all-time leader in assists. In 2002, Kansas' Jennifer Kraft was named Big 12 Defensive Specialist of the Year. Prior to that, Molly LaMere, who holds the school record for single season assists per game, earned All Big 12 Honorable Mention accolades in 2001.

Prior to her arrival at Kansas, Posey served as a health/physical education instructor and head volleyball coach at Blue Valley Northwest High School in Overland Park, Kan., from 1993 to 2000. During that time, Posey was also the head girls basketball and assistant softball coach for the Huskies. During the spring of 2008, Posey was honored by the high school as she was named a member of its inaugural Husky Hall of Fame class.

"There are so many things that make KU a great place to be: the rich tradition and storied history of the athletic programs, the diversity of an energetic student body, the considerate and helpful nature of faculty and staff, the simple beauty of campus, and the charm of downtown Lawrence."

As the head volleyball coach for Blue Valley Northwest, she led her teams to eight KSHSAA state tournaments in eight seasons. Under Posey's guidance, her teams captured the state championship in 1996 and 1997 and finished third three times during her tenure.

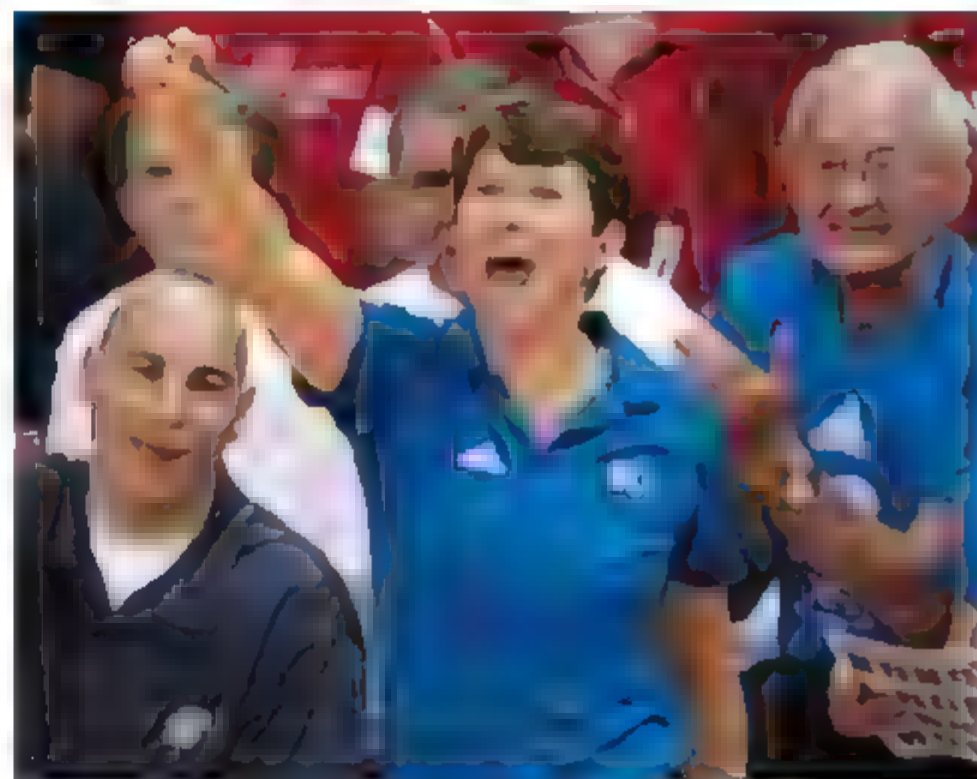

Posey's accolades and honors as a high school coach are virtually unparalleled. In 1999, she was named Johnson County Volleyball Coach of the Year by the *Kansas City Star*. In 1997, she was again selected as the Coach of the Year by the Kansas Volleyball Association and *Kansas Sport Magazine* after leading her team to a perfect 44-0 record and a second-straight KSHSAA state championship. That same season, Blue Valley Northwest was tabbed the Kansas 6A Volleyball Program of the Year by the Kansas Volleyball Association.

In 1996, Posey was named Coach of the Year by *Kansas Sport Magazine* and *Sports Connection* after guiding her team to a 41-3 record and a first place finish at the state tournament.

Before her stint at Blue Valley Northwest, Posey was the head coach at Halstead High School from 1983-90. In 1990, she was selected to serve as head coach at the Kansas Volleyball Association's annual All-Star Game after being named co-Coach of the Year by the KVA. Her teams

qualified for the state tournament four times at Halstead, and she led the Dragons to a third-place finish in 1990. She has an overall high school coaching mark of 392-171 in 18 years.

Posey is a member of the American Volleyball Coaches Association, the Kansas Coaches Association, the Kansas Volleyball Association and the National Education Association.

Posey lettered in both volleyball and softball at Wichita State as a freshman and sophomore before transferring to the University of Kansas for her final two years of eligibility, where she was a standout first baseman and outfielder for the KU softball team.

A graduate of Wichita Heights High School, Posey was a three-sport star for the Falcons in volleyball, basketball and softball. She earned all-league honors twice in volleyball and once in softball and led the Falcons to a state basketball runner-up finish in 1976.

Posey is well known at volleyball camps and clinics at the collegiate and high school levels around the Midwest. She has worked top level camps across the state of Kansas, including the University of Kansas, Sport 2 Sport, Heart of America Fundamental Volleyball and Gateway Elite camps.

Posey serves as Club Director of the USAV Juniors' Team K2, which she previously coached for seven years.

Posey received a bachelor of science degree in education from the University of Kansas in 1982 where she was a physical education major and health education minor.

## PLAYER PROFILES

In its most victorious season in five years, Kansas volleyball earned a 16-14 record in 2010. The team found early season success claiming the tournament crown at Arkansas before heading into conference play. KU's early achievements provided a glimpse of the highlights soon to come, which included a series sweep of in-state rival Kansas State and an upset over No. 21 Baylor.

After finishing 8-2 in its non conference slate, the Jayhawks once again faced a challenging Big 12 Conference schedule that included nine matches versus top 25 foes. KU finished 8-12 in conference play, picking up its most league wins since 2004, and enjoyed a victory versus No. 21 Baylor for the team's first win over a ranked opponent since 2007.

### Playing the Best

Kansas faced 10 teams during the 2009 season that went on to participate in the NCAA Tournament. Of those 10 teams, five advanced to regional semifinal play (Sweet 16) and one played in the title match (Texas). The 10 postseason teams accounted for over half of the Jayhawks' contests in 2009.

### Jayhawks Upset Bears

Kansas upset No. 21 Baylor 3-1 on Nov. 14 to earn its first win over a ranked opponent since defeating No. 18 Oklahoma on Nov. 3, 2007. The Jayhawks have defeated 11 top 25 foes in Ray Bechard's 12 seasons as head coach.

### Big 12 Match Best

Against Texas Tech on Nov. 24, Kansas volleyball recorded a .468 attack percentage versus the Red Raiders, marking KU's best attack percentage since hitting .512 versus Alabama A&M on Aug. 25, 2006. Additionally, the .468 clip was KU's best ever mark versus a Big 12 opponent, passing the previous record of .459, which the Jayhawks recorded versus Oklahoma on Oct. 5, 1996. The only other time Kansas has hit over .400 in the Big 12 era was on Nov. 28, 1997 versus Iowa State.

### Manda & Martincich Join 1,000 Dig Club

Junior Melissa Manda became the 11th Jayhawk in Kansas volleyball history to record 1,000 career digs, while senior Katie Martincich followed soon after to become the 11th player in program history to accomplish the feat. Manda hit career dig No. 1,000 on Sept. 30 versus Colorado and has since moved up to claim the No. 4 spot on the list with 1,165. Martincich cracked the top 10 on Nov. 14 versus No. 21 Baylor. She leaves Kansas with the ninth-most career digs with 1,029.

### Series Sweep

The Jayhawks swept in-state rival Kansas State on Nov. 11 to pick up the team's first series sweep of the Wildcats since 1993. Additionally, KU won the two matches with a combined 6-0 score, the first time

in series history KSU did not win at least one set in the season series.

### Academic All-District Honorees

For the fifth-straight year, Kansas volleyball placed at least one player on the *ESPN The Magazine* Academic All-District Team. Senior Paige Mazour was named to the District 7 first team, while senior Katie Martincich earned second team honors.

### Eight Jayhawks Named Academic All-Big 12

Eight Kansas volleyball players were named to the 52-person Academic All-Big 12 Volleyball Team. Among those honored, KU's Katie Martincich was one of two student-athletes honored with a 4.00 grade point average. Kansas and Oklahoma led the league with eight selections each.

In addition to Martincich, seniors Melissa Grieb and Paige Mazour, juniors Karina Garlington and Melissa Manda and sophomores Lauren Hagan and Allison Mayfield were all named to the first team. Sophomore Nicole Tate was a second team selection.

### Mr. 900

With KU's win over Kansas State on Oct. 17, head coach Ray Bechard captured his 900th career victory. Bechard, who is in his 12th season at KU and 25th season overall as a head coach, is 905-231 (80 percent) for his career. He spent 13 seasons at Barton County Community College prior to coming to Kansas, where he accumulated a 746-60 mark at the school.

### Tate Among National Leaders

In the final release of NCAA statistics on Dec. 21, sophomore Nicole Tate was listed in the nation's top 50. The 5-10 setter's 10.97 aces in 2009 were the 39th best among Division I players. Additionally, the team's 12.68 aces ranked 49th nationally.

### Attempting History

En route to her team-high 28 kills versus OU on Sept. 23, junior outside hitter Karina Garlington took 79 swings in five sets. It was the most attempts by a Jayhawk since Sara Rome made 83 attempts on Oct. 20, 2001 versus Baylor, also the KU single match record.
